

## Kitchen and Bath Care and Cleaning

Ztrends products are manufactured using 304 Stainless Steel.

The Polished products are all hand polished to a high polished sheen.

Matte Black is a coated product. Matte Black is an applied finish.

Both require care for cleaning.

- You are welcome to use vinegar, oils, baking soda, dish liquid, glass cleaner, or any non-abrasive cleaner.
- Polished Stainless can be polished back to its original beauty, using a polisher and compound. Deeper scratches may require additional steps.
- Matte Black products is a coated finish. (Repair kits are available)

PLEASE DO NOT USE ABRASIVES (STEEL WOOL, SAND PAPER, ABRASIVE SPONGES ON EITHER FINISH, AS THEY WILL SCRATCH).
